The Certified Officials Associations whose memberships serve the schools of the Section, hereinafter referred to as the Officials Organization(s), and

Shall be in effect from: July 1, 2004 until June 30, 2009, a period of five (5) years.

1.2 Both signatories to this contract, Section II and the Officials, shall accept and abide by:

The Statement of Principles for Officiating, as stated in the NYSPHSAA Handbook,

The constitution of the New York State High School Officials Coordinating Federation (OCF), as written in the NYSPHSAA Handbook.

The provisions of the Officials' Agreement, as presented in the NYSPHSAA Handbook, All rules, regulations, and agreements of the State Association as written in the NYSPHSAA Handbook.

ARTICLE II

Assignment of Officials

2.1 Assignments of certified officials for the regular season for each level of competition (varsity, junior varsity, freshman, and modified) will be made only by the assignor(s) designated by the recognized officials' organization, with the approval of the Section II Officials Committee. Requests by individual schools or coaches will be honored, if possible, for non-league and tournament assignments.

2.2 Each officials organization will send the name(s) and addresses(s) of assignor(s) to the secretary of Section II annually.

2.3 Assignments of certified varsity level officials for sectional competition will be made by the Section 11 Sports Chairperson, Sports Committee, or their designee.

2.4 Compensation for the assignors will be the responsibility of the individual officials' organizations. No league will pay an assignor for services.

2.5 At least one week prior to the first scheduled game of the sports season, assignors will provide for each member school's athletic director:

a. A list of officials assigned to all varsity contests for that season will be sent by mail. (United States Postal Service)

(A list of sub-varsity officials assigned for that sports season will be provided as soon as possible, in no case later than the third sub-varsity contest.)

b. A roster, with name, addresses & telephone numbers, of all certified officials in that officials' organization to be sent by mail. (United States Postal Service)

2.6 The assignor will notify the athletic director of any changes in assignment during the season by telephone or written communication as such changes occur.

2.7 Scrimmages - All scrimmage assignments will be made by the sports assignors, with a reasonable notice of 48 hours. Each school may request officials, at no charge, for up to two (2) varsity, two (2) junior varsity, one (1) freshman and one (1) modified scrimmages prior to

the beginning of the sports season (first scheduled contest at that level). Subsequent scrimmages may be charged to the school at the full contract rate.

2.8 Any change in a school's sport schedule must be given directly to the appropriate sports assignor by the athletic director or designee, in a timely manner.

2.9 If possible, modified officials should not be assigned to the same school, in any sport, more than three (3) times.

2.10 For any level, if no officials are available from servicing chapter, and/or neighboring chapter, host school may find and assign official.

ARTICLE THREE

Responsibilities of the Schools

3.1 It will be the responsibility of the leagues to provide the assignors with master league schedules according to the following timetable:

Fall Sports: by June 1

Winter Sports: by September 15

Spring Sports: by February 15

3.1a Individual school schedules - non-league and tournaments must be submitted:

*The Assignor: Fall - August 1

(* Home school) Winter - November 1 Spring - March 1

3.2 Assignors not receiving league schedules by the above deadlines will notify the league sports chairperson, or, if unavailable, the president of the league.

3.3 Assignors not receiving league schedules within seven (7) business days of notification of the league chairperson will contact the chairperson of the Section II Officials' Committee, or, if unavailable, the president of Section II. The Section II president or officials chairperson will notify the league president that the schedule must be submitted to the assignor. The league will be fined \$100 for each week or major portion thereof that the schedule is not received by the assignor, such revenue to be shared equally by the officials' organization and the Section.

3.4 Each school will have the prerogative of rejecting 5% of the roster of the officials' organization servicing that school. These officials will not be assigned to any contest, home or away, in which that school participates. It will be the responsibility of each school's athletic director to send this rejection list to the sports assignor by the deadlines in Section 3.1.

3.5 Reasonable and proper crowd control, and safe playing conditions as required by the rules of the sport, are the responsibility of the home school. If such control is not provided, the officials, in consultation with school authorities, when appropriate, have the right to suspend or terminate the contest.

3.6 Coaches and school officials will conduct themselves in a manner that is conducive to a sportsmanlike contest. Coaches who continually exhibit a lack of self-discipline may be referred by an official's organization to the Section II Sportsmanship Committee for possible censure or other punitive action.

3.7 An officials organization may conduct a clinic for coaches prior to the beginning of the sports season, at a site selected by the officials. The cost of this clinic will be borne by the officials' organization. Schools are encouraged to send at least one representative to these scheduled clinics.

ARTICLE FOUR

Responsibilities of the Officials

4.1 Each official assigned to a contest must confirm that contest with the school's athletic director, a minimum of 24 hours prior to the start of the contest. Athletic director should notify assignors in a timely manner, if no confirmation so that appropriate disciplinary action can be taken by the official's organization.

4.2 Officials will conduct themselves in a professional and sportsmanlike manner. Officials who violate the basic tenets of good sportsmanship may be referred to the governing body of the official's organization by the school administration for possible censure or other punitive action.

4.3 An official who has been assigned to a contest, but, does not appear without a valid excuse (*) shall be assessed the full contract fee as a penalty, payable to the offended school. (*) The chairperson of officials for Section II, and, the sports assignor will be the sole arbiter of validity.

4.4 Officials are responsible for reporting any players or coaches, disqualified for unsportsmanlike conduct. A written (or faxed) report will be sent to the sports assignor, or designee, within 48 hours of any incident.

4.5 Officials organizations will provide officials for sanctioned All-Star Senior contests at no charge.

4.6 Officials organization will establish and use an evaluation system for their officials. Such evaluations will be available to the Section II sports Chairpersons upon request.

ARTICLE FIVE

Cancellations and Postponements

5.1 The home school will notify the appropriate sports assignor as soon as it has been determined that a contest has been rescheduled or canceled for non-weather related reasons. If the schedule change is identified prior to one (1) week before the contest to be changed, no penalty will be assessed. If the change is made at a later date and the assigned officials do not receive another assignment for the date of the originally scheduled contest, the offending school will be responsible for providing a full fee to each originally assigned official, except for extenuating circumstances beyond the control of either school.

If disputes arise, chief negotiators from Section II and Sports Officials, or their designee, will arbitrate. If no decision can be made, dispute will move to the grievance procedure.

5.2 Should a sports team be eliminated from a school's program, no official's fees will be paid by the school. The school or schools involved will notify the assignor and the officials involved.

5.3 Cancellation of contests because of weather and/or unforeseen circumstances:

- a. The home school is responsible for notifying the assigned officials and/or the assignor when a contest is canceled due to weather conditions. In the event of impending inclement weather, the official should reconfirm by telephone just prior to leaving for the contest.
- b. If an official arrives at the contest site without receiving notification of the cancellation, and has fulfilled the requirements stated in Part a. above, then the official will receive one-half (%) of the contract fee.
- c. If a contest is started and then prematurely terminated due to weather conditions, the assigned officials will receive the full contract fee.
- d. The officials who work the resumption of the suspended contest will receive one-

half of the contract fee. If a contest is suspended or terminated and must be replayed due to officials' error or rule misinterpretation, then the officials will provide their services at no charge to the school(s) or section.

ARTICLE SIX

Grievance Procedure

6.1 Any grievance or dispute which may arise between the parties concerning the application, meaning, or interpretation of this agreement between the section and the officials will be resolved in accordance with the following procedure. A member school, a league, a sports committee, an individual official, or an official's organization may initiate the grievance procedure.

Level One

Note: As used in this article, business days are defined as days when school is in session.

- a. An official and/or officials' organization with a grievance will first discuss the concern informally with the athletic director of the school involved. This must be done within five (5) business days of the incident, which caused the grievance.
- b. If the grievance is not resolved informally, it will be submitted in writing to the athletic director within five (5) business days of the date that the grievance is determined to be unresolved. A copy of this letter will be sent to the Section II Officials Chairperson. The athletic director will have five (5) business days in which to respond to the grievance and render a decision. Copies of this decision will be sent to the grievant and the Section II Officials Chairperson.

Level Two

- a. If the grieving party is not satisfied at Level One, the grievance will be filed in writing with the building principal within five (5) business days of receipt of the letter in Level One, with a copy to the Section II Officials Chairperson. Within five (5) business days, the sports official or representative will meet with the building principal in an effort to resolve the grievance. The principal will submit his decision in writing to the official and the Section II Officials Chairperson within five (5) business days of this meeting.
- b. An officials organization having a grievance with a league, will file in writing to the president of the league, with a copy to the Section II Officials Chairperson, within five (5) business days of the situation causing the grievance. The president of the league will render a written decision to the grieving party within five (5) business days of the grievance, with a copy to the Section II Officials Chairperson.
- c. A school, league, or sports committee which has a grievance with an official or an officials organization will file a written grievance at this level with the president of the appropriate officials organization, with a copy to the Section II Officials Chairperson. This letter must be filed within five (5) business days of the incident, which caused the grievance. The officials' organization will render a written decision within five (5) business days after receiving the grievance, with a copy to the Section II Officials Chairperson.

Level Three

- a. A grievance may be taken within five (5) business days to Level Three if the aggrieved party is not satisfied with the disposition of the grievance at Level Two.
- b. At Level Three the grievance will be filed directly with the president of Section II. The president or a designee will hear testimony from both parties within five (5) business days.

business days of the receipt of the written grievance.

c. The hearing officer will render a written decision within five (5) business days of the hearing. This decision will be binding on both parties.

d. The hearing officer will have no power to amend or modify the provisions of this contract. The arbiter will only consider the precise issue(s) submitted in the grievance.

Level Four

All matters involving alleged violations of the officials' contract with NYSPHSAA which are not resolved at Levels One, Two, or Three, will be filed with the state organization within five (5) business days of the alleged violation.

6.2 Intent of both parties:

a. Any alleged violation of the agreement between the officials and Section II will be resolved using the grievance procedure outlined in this contract.

b. Any violation of the state officials' contract, with the exception of the grievance denoted in Section 10 of the state contract, will be subject to the grievance procedure outline in the Section II contract. The grievance listed in Section 10 of the state contract does not apply to a grievance between Section 11 and the officials.

c. The procedure for a violation of the state contract should follow the current grievance procedure so that the section would be aware of the problem.

d. The section decision concerning a state contract violation would be appealable to the NYSPHSAA, whereas a local grievance would not.
